

PERRYMOUNT PRIMARY SCHOOL
HEADTEACHER'S NEWSLETTER

OCTOBER 16th 2020

Dear Parents / Carer

Sorry about the change of design but I have a great deal of news.

Year 6 Buddies

Normally in Year 6 when we ask the children who would like to apply to be a school buddy about half the class say yes. This year, for the first time ever, they all did! So every member of year 6 filled in an application, had an interview and are now wearing our school red buddy jumpers. I am very proud that they all wanted to represent our school and take on additional tasks where they can. Well done Year 6.

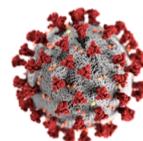

Christmas Cards

Don't forget to get your Christmas card orders in by Wednesday 21st October. I have extended the deadline as some cards went out later than others

COVID NEWS

This week again we have had a few cases of suspected COVID but all tests have come back negative.

From tomorrow London goes onto Tier 2. This does not affect the way the school will operate but it will effect the way children mix outside the school day. Tier 2 means families cannot mix indoors. So for a while playdates in each others houses must be cancelled. I know this will disappoint many children but please follow the rules to keep each other safe and the school remain open.

Remember If a child does have a positive test I would need to be contacted as soon as possible. If it is out of school hours, can you please email me on: headteacher@perrymount.lewisham.sch.uk .

Friends of Perrymount.

The AGM of the Friends of Perrymount will take place on Wednesday 4th November at 1pm. The meeting will be held over Zoom if more than six people say they will attend. If you would like to join the meeting please email me on the above address or let the office know and we will with pass your contacts onto Honey . Please let us know by Monday 2nd November if you can attend.

More news on the other side.

Wear Red Day

Thank you for wearing red today and donating £1 for the charity to support their work on anti racism. The children (and staff of course) looked amazing and I will let you know next week how much we made.

Spina Bifida Awareness Week

Starting October 23rd it is Spina Bifida Awareness week. Spina Bifida is a condition that effects the spine and at school we have a child with this condition. To show our support I would like everyone to wear something yellow on this day. So while today our school was filled with red lets fill our school with yellow on October 23rd.
