

Friday 22<sup>nd</sup> January

Dear all

I hope you are all well and keeping safe.

I received this yesterday and I hope it helps out with accessing online learning

**Mobile networks are to make online education resource Oak National Academy free to access until schools reopen.**

Mobile customers with O2, Three, Vodafone, EE, BT, Virgin, Sky and Plusnet will be able to browse the site even if they are out of data.

We still have a few chrome books in school. To improve your child's learning experience please contact me if it would be helpful to loan one. I do not have a vast amount but I would rather they were helping children learn than sitting in a cupboard.

Some better news from Lewisham Public Health. Lewisham is now down to 700 cases per 100,000 testing positive for COVID. While this is still high it is lower than last week when it was over a 1000 cases. We must however still follow all the lockdown safety measures if we are to get it to where it is low enough for school to open.

I know some of you are aware that Michelle has been very ill with COVID. You will be pleased to hear that she is on the mend although I do not think she will be well enough to come to work for at least a couple of more weeks.

Don't forget we are here to help if we can. Please email me on [headteacher@perrymount.lewisham.sch.uk](mailto:headteacher@perrymount.lewisham.sch.uk) if you have any questions.

Best wishes and Keep safe

Chris Keen
