

Thursday 4th February 2021

Dear all

I hope you continue to keep safe and well.

I would like to start by saying a massive well done to all the children who are working so hard and also a huge thank you to all of you, who are supporting them. I do appreciate that home schooling is not easy but am very grateful for all that you are doing. In a couple of weeks we hope to know the plans for schools reopening. The Prime Minister has stated that March 8th will be the earliest and as soon as I have more information I will contact you.

Some much better news from Lewisham Public Health. Lewisham is now down to 289 cases per 100,000 testing positive for COVID. While this is so much better (700 two weeks ago) this figure is not true for all age groups. For people over the age of 60 the figure is 367. So keeping following all the rules is very important. I know many people are finding this lockdown more difficult than the last. I was however reminded this week of the words of Sir Captain Tom, who has sadly died, 'Tomorrow will be a good day'. I know all of us are looking forward to our tomorrow when we can meet again and give our families a hug and let us all hope that this will not be too long.

In the meantime you will be pleased to know that Michelle is much better and will be back in school next week. We have really missed her and are delighted that she is ready to come back.

Don't forget we are here to help if we can. Please email me on headteacher@perrymount.lewisham.sch.uk or contact school on 0208 699 45252 if there is anything that we can do to support you.

Best wishes and Keep safe

Chris Keen
