

Thursday 11<sup>th</sup> February.

Dear Everyone.

I hope you are well and continue to keep safe. I cannot believe that this half term is coming to an end. Please take time next week to relax and enjoy being with your children with no home learning from us. I think we all deserve a break!

In Lewisham the numbers of people infected with COVID continues to fall which is good news. It is now 171 per 100,000 for the majority of Lewisham residents although it remains high for the over 60's and our local hospital is still very full.

These figures are very hopeful that we will soon be able to have some relaxation to the rules, but not yet. It still remains vital that we all continue to keep ourselves and loved ones safe.

Again, I would like to thank you all for your support in our home learning programme this half term. All of us at Perrymount appreciate that this has not been easy but the quality of the work produced shows the effort being made by you to ensure your children continue to receive the best opportunities possible.

Have a great half term and online learning will be back on Monday 22<sup>nd</sup> February.

Take care and keep safe.

Chris Keen
