

Monday 14th March

Red Nose Day and the Ukraine.

This Friday (18th March) is Red Nose Day, and we would like to celebrate by us all wearing red and donating to charity. Due to the crises in the Ukraine all money raised will be split between the Red Nose Charity and the Ukraine Humanitarian Appeal. So please wear red and make a difference.

Mrs Varma is Retiring.

It is with a heavy heart that I have to tell you that Mrs Varma will be retiring on the 1st April. Mrs Varma, also known as the 'gate lady', has worked at Perrymount since 1995 in a range of roles, but it is her support to the whole school community, children, staff and parents, that she will be most remembered for and sorely missed. We will be holding a special assembly on the 1st April at 10am and have 40 places only for extra guests. If you would like to attend, please contact Michelle in the school office.

Other news

Parents meetings are coming up and will be on the 29th and 31st March. This Thursday the children will bring home a letter for you to book a time. We are delighted that these meetings will all be face to face, and you will at last come back into school. Another important milestone on the road to normality.

As I am sure, many of you are aware I am off at the moment with COVID. I am not too unwell but am still testing positive. If I cannot come back before, Thursday is my freedom day. Last week in school was not easy for many reasons, and I would like to thank Mrs Wilson who has done an amazing job in keeping the school going.

See you soon

Best wishes

Christine Keen
